### Shave for a Cure

Our lovely club member and former Secretary, **Kathy Christian**, has made the very gutsy decision to forgo her beautiful locks to raise money for cancer research by participating in "Shave for a Cure". The club will be providing our full support to assist her to raise as much money as possible for this very worthy cause.

We propose to run a fundraiser on the 20<sup>th</sup> of March, during which time Kathy and any other volunteers will have their heads shaved. There will be opportunity to have your hair painted, or shaved etc, for a small donation, as well as other fun fundraising activities. Look out for further information in coming newsletters and on the Rhino's website.

### Do you need any new gear????

The club will be ordering new equipment in the next couple of weeks. We will be happy to include items for individuals with the clubs order. This may save freight costs for everyone. If you are interested, please see Phil Wooster. He will also be happy to provide you with his wealth of experience and expertise and assist you with your choice of purchase.
